

# S.O.S. MR. S. HOLMES! ESSEX PRISON ROBBED! LOOKS LIKE INSIDE JOB

Mystery Puzzles Warden, Who  
Fears He Has Been Har-  
boring a Thief!

Oh, cruel! Type hates to tell, but won't flow, the mind reels at the dread news—the Essex County Penitentiary has been robbed!

Last night it happened, or maybe very early this morning. The heavy snowfall has filled every footprint so full of snow, sleet and ice that Sherlock Holmes himself could only shake his head, if the task of detection were put up to him.

Was it an "inside job"? Is it possible there are thieves in the Essex Pen? Perish the thought! Could it possibly be some faithful convict listened to the luring tales of a tempter and helped him on a basis of fifty-fifty? Who knows?

When Mr. X, a gentleman doing time in the penitentiary and designated as a "trustee," went out to feed the chickens at 8 o'clock this morning he found that Caldwell Price, the splendid white Orpington cockerel that won first prize for Warden Ferdinand J. Hoar at the show of the Essex County Poultry Association last fall, had been stolen. Not only that but twenty-four other cocks and hens had also been abstracted, and the little clubhouse in which the guards amuse themselves during off hours had been burglariously entered and stripped of all its checkers, chess, cards, etc.

Mr. X ran in and told the Warden, and Mr. Hoar ran out and looked for a clue. Not even a feather remained to point the way to the perpetrators of the fell deed. The grounds, that extend a quarter of a mile in every direction, showed not one suggestion of a trail.

Note—There are various negro settlements within a night's march of the coop.

## HEINIE SIGNED UP TO SETTLE WITH WIFE

Cub Third Baseman Must Pay Alimony and Counsel Fees.

Supreme Court Justice Brady of the Bronx was up this morning when "Heinie" Zimmerman, star third baseman of the Chicago Cubs went to the bat. Heinie signed another agreement, but one which will not be as profitable to him as those of yore. His wife filed papers a week ago asking for a separation from him.

Mrs. Zimmerman, in her complaint, says that her husband gets \$7,500 a year for holding down third base and that she gets none of it. She charges cruelty and non-support. In the agreement which they both signed Heinie agrees to pay \$20 a week for the support of her and their child during the months from October to March, inclusive. In the season he will pay \$40 a week. The baseball player will also pay \$200 for counsel fees.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets.

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid liver.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping in the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—tick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O., Adv.

There is many a shop, store, market, hotel, etc., in New York City that can be purchased for less than its stock inventories.

So why should one start an enterprise in the first instance, paying high, cash prices for stock, fixtures, etc.?
